Long sample verbal announcement (about 1 minute)

Informed Choices Clinics are life-minded, accredited clinics that provide medical care and the love of Jesus through services such as pregnancy testing, ultrasound, as well as STD testing and treatment. Their goal is to meet the real needs of men and women, especially those who feel that abortion is their only option, and helping them see that *choosing life for their baby is a real option.*

The *Walk for Life* is not a march, protest or athletic contest. It is simply an opportunity for those that affirm life to come together for prayer and fellowship while raising support for the **Burlington Informed Choices Medical Clinic**. This is a great opportunity to get the word out about the clinic and invite people you know to join you on a team or to sponsor you financially.

The *Walk for Life and Pancake Breakfast* will be held on Saturday, May June 9 at Crapo Park.
Breakfast begins at 7:30 am, with the Walk Check-In at 8:30 am. We will begin walking at 9:00 am.
